Will the wagon bumps a wall.

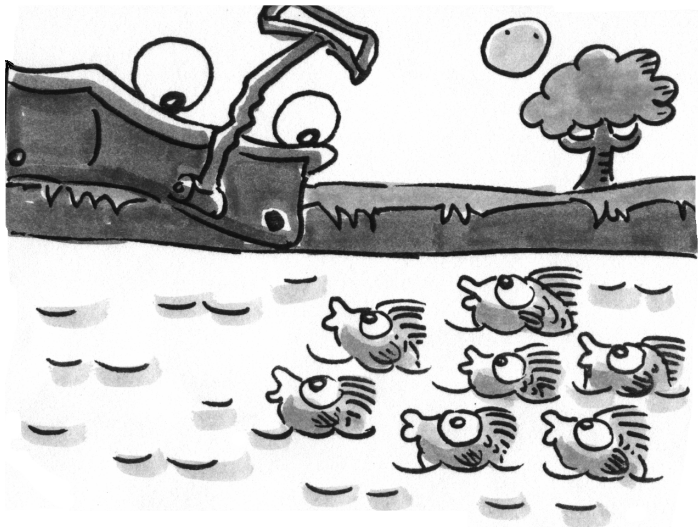

Three red wheels go WHAM,
then fall.

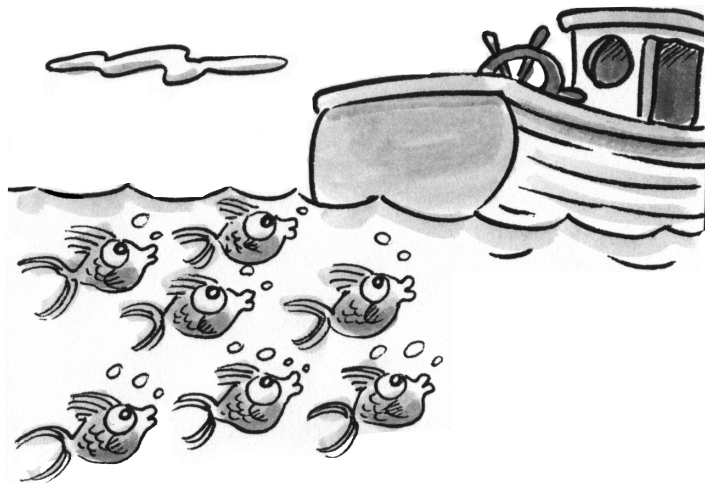

Will feels sad and makes a wish...

and whispers it to seven fish...

who swim up river to get Ed...

where he is sleeping in his bed.

Quick! Wake up, and give a hand!

Soon Will is feeling very grand!

This book is one of 18 in the *Read, Write & Type Learning System*™ which includes a software reading curriculum and support materials for six to nine year olds.
