**Someone made a thing of ice,  
and it was found by six gray mice.**

**The thing was out beside a house.  
“I love it,” said the smallest mouse.**

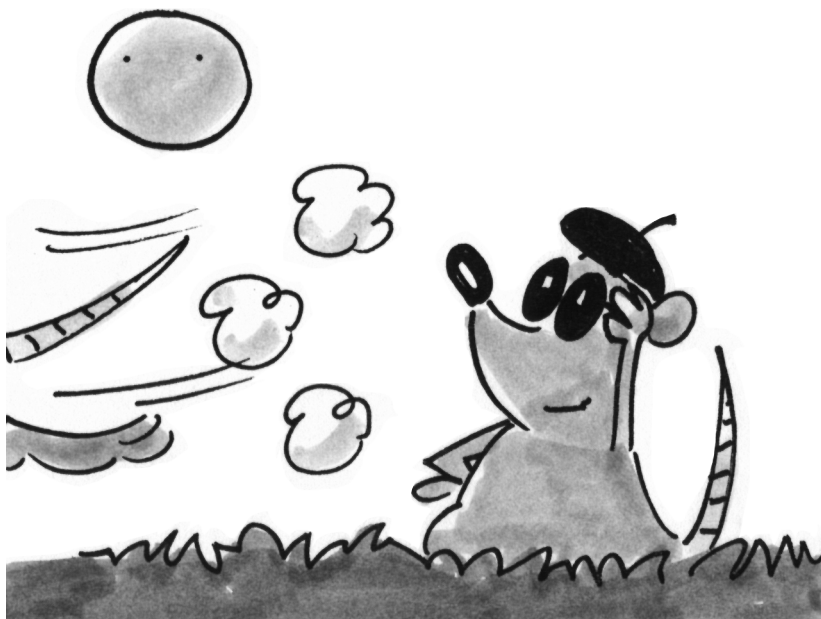

**Quick! Bring the gang,  
and tell the king!**

**Everyone must see this thing!**

**The big mice took off at a run.**

**The sun will thaw it!**

**I will draw it.**

**They came too late,**

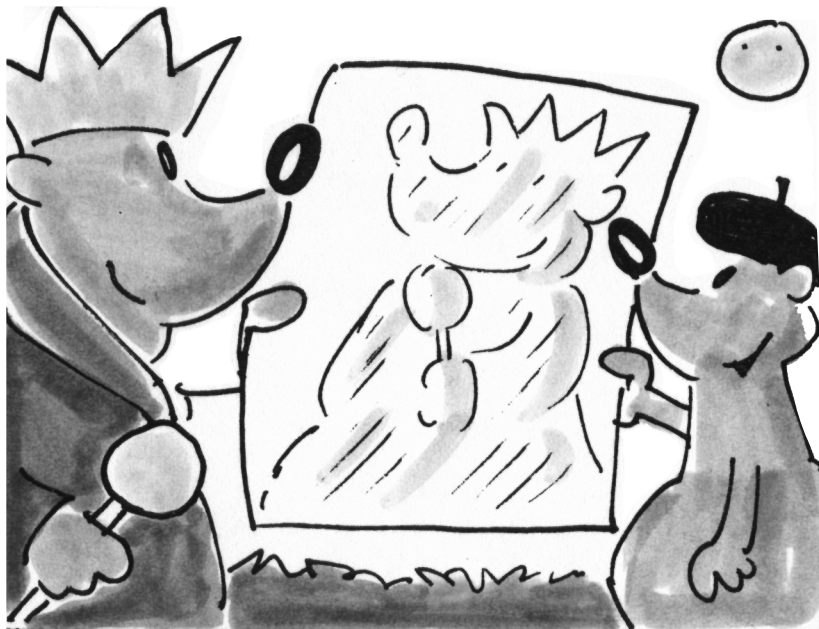

**so no one saw it.**

**The king was sad  
that it was thawing.**

**He was glad to see that drawing.**

**This book is one of 18 in the *Read, Write & Type Learning System*™ which includes a software reading curriculum and support materials for six to nine year olds.**
